

The Diamond Maker: A First Unabridged Edition (Annotated) By H.G. Wells. (Paperback)

By H G Wells

Independently Published, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. The Diamond Maker is a short story by H. G. Wells. Herbert George "H. G." Wells (21 September 1866 - 13 August 1946) was an English writer, now best known for his work in the science fiction genre. He was also a prolific writer in many other genres, including contemporary novels, history, politics and social commentary, even writing textbooks and rules for war games. Wells is sometimes called "The Father of Science Fiction," as are Jules Verne and Hugo Gernsback. His most notable science fiction works include The War of the Worlds, The Time Machine, The Invisible Man and The Island of Doctor Moreau. Wells's earliest specialised training was in biology, and his thinking on ethical matters took place in a specifically and fundamentally Darwinian context. He was also from an early date an outspoken socialist, often (but not always, as at the beginning of the First World War) sympathising with pacifist views. His later works became increasingly political and didactic, and he sometimes indicated on official documents that his profession was that of "Journalist." Most of his later novels were not science fiction. Some described lower-middle...
